

Archery Seasons

Archery hunters wishing to hunt antlerless deer in a WMU with an archery-only season (refer to the table below Archery Only Seasons – Deer) must apply to the antlerless deer validation tag draw in that unit.

Do not apply for an antlerless deer validation tag in a WMU with a controlled hunt unless you plan to hunt with a bow during the archery only season. You must apply to the controlled hunt if you wish to hunt with a permitted firearm other than a bow during the controlled season.
